European Maritime and Fisheries Fund and repealing Council Regulation (EC) No. 1083/2006,

1. processing is necessary for the performance of an agreement to which the data subject is party (Art. 6 (1) (b) of the GDPR) – this grounds applies, inter alia, to personal data of persons running business as a sole trader, with whom the Minister concluded agreements in order to implement the OPDP 2014-2020, 2. processing is necessary for the performance of a task carried out in the public interest or in the exercise of official

authority vested in the Minister (Art. 6 (1) (e) of the GDPR) – this grounds applies, inter alia, to competitions and

3. processing is necessary due to a legitimate interest of the Minister of Development Funds and Regional Policy (Art. 6

Under the OPDP 2014-2020 under actions 3.1 – Training activities for the development of digital skills – special categories of

data (data on disability) are processed. The legal grounds for their processing is the explicit consent of the data subject

(1) (f) of the GDPR) – this grounds applies, inter alia, to personal data processed in connection with the performance

Types of processed data The Minister of Development Funds and Regional Policy, in order to implement the OP Digital Poland 2014-2020 processes personal data of among others: 1. employees, volunteers, trainees and interns representing or performing tasks for the entities involved in the service

2. contact persons, persons authorized to make binding decisions and other persons performing tasks for applicants,

3. participants of trainings, competitions, conferences, monitoring committees, working groups, steering groups and

4. candidates for experts and experts involved in the process of selecting projects to be co-financed or performing

5. persons whose data will be processed in connection with the examination of eligibility of funds in the project,

tasks related to the implementation of the rights and obligations of the competent authorities, resulting from the

including in particular: project personnel, participants of tender commissions, bidders and contractors of public

1. identification data, in particular: name, surname, place of employment/form of conducting business activity, official position; in some cases also PESEL [Personal Identification Number]/NIP [Tax Identification Number]/REGON [Statistical ID], 2. data concerning the employment relationship, in particular remuneration received and working time,

3. contact details, which include in particular e-mail address, phone number, fax number, correspondence address,

property (plot number, land and mortgage register number, gas connection number), amount of remuneration,

5. data collected in order to fulfill reporting obligations, to the fulfilment of which member states are obliged, including

in particular: gender, age at the time of joining the project, education, occupation, nationality, information on

Data are obtained directly from data subjects, or institutions and entities involved in the implementation of operational

Where data are collected directly from data subjects, the provision of data is voluntary. However, the refusal to provide

4. financial data, in particular bank account number, amount of allocated funds, information about the real

data is tantamount to the lack of possibility to take appropriate actions, e.g. applying for funds under the OPDP 2014-2020. IV. Data retention period

Personal data will be stored for the period specified in w Art. 140 (1) of the Regulation of the European Parliament and the

Council (EU) No. 1303/2013 of 17 December 2013 and at the same time for a period not shorter than 10 years from the date of

awarding the last aid under the OPDP 2014-2020 – at the same time taking into account the provisions of the Act of 14 July

V. Recipients of data The recipients of personal data may be:

the entities, to whom the Authority Managing the OPDP 2014-2020 entrusted the performance of tasks

authorities, bodies and agencies of the European Union (EU), as well as other entities to whom EU has

entities providing the Minister with services related to the operation and development of IT systems and

ensuring communication, in particular IT solutions providers and telecommunications operators.

entrusted the performance of tasks related to the implementation of the OPDP 2014-2020,

related to the implementation of the Program, including in particular the Intermediate Body of the OPDP,

In some cases, e.g. when the EU authorities control the Minister, this period may be extended.

as well as experts, entities conducting audits, controls, trainings and evaluations,

VI. Rights of the data subject Persons, whose data are processed in connection with the implementation of the OPDP 2014-2020 have the following

to the Minister with a request to update them,

2. the right to have their data erased or restrict their processing – if the conditions set out in Art. 17 and 18 of the GDPR are met A request to have personal data deleted is fulfilled, in particular, when further processing of data is no longer necessary to achieve the purpose of the Minister or personal data have been processed unlawfully. The detailed conditions of exercising this right are specified in Art. 17 of the GDPR. Restriction of processing of personal

modify or delete them. Restriction of the processing of personal data is temporary and lasts until the Minister performs the assessment whether personal data are correct, processed in accordance with the law and necessary to achieve the purpose of processing. Restriction of the processing of personal data occurs also where an objection is raised to the processing of data – until this objection is considered by the Minister. 3. the right to lodge a complaint with the President of the Personal Data Protection Office, 4. the right to withdraw consent, at any time – where the basis for the processing of data is consent (Art. 9 (2) (a) of the GDPR). The withdrawal of consent will not cause the processing that took place before the withdrawal of consent to be considered unlawful.

to access their personal data and the right to rectify the data Upon exercising this right, the data subject may ask the

Minister among others whether the Minister processes his or her personal data, what personal data are processed by

the Minister, where the Ministe has obtained them from, what is the purpose of the processing and its legal grounds

and how long These data will be processed. If the processed data prove to be outdated, the data subject may apply

data cause that the Minister may only store personal data. The Minister may not transmit such data to other entities,

5. the right to receive your personal data in a structured commonly used format, to transfer those data to another controller or to demand from the controller, if it is technically possible, to send them to another controller – where the basis for the processing of data is consent or the implementation of an agreement with the data subject (Art. 6 (1) (b) of the GDPR). 6. the right to object to the processing of personal data – where the grounds for the processing of data is the implementation of public tasks of the controller or their legitimate interests (Art. 6 (1) (e) or (f) of the GDPR). Filing an

objection causes that the Minister no longer processes the personal data unless the controller demonstrates compelling legitimate grounds for the processing which override the interest rights, and freedoms of the data subject, or the bases for the establishment, exercise and defense of claims.

VII.

Automated decision-making The data are not subject to the process of automated individual decision-making.
